Ladenburg Law Injury Attorneys is family owned law firm of top rated personal injury attorneys. The Ladenburg name has become synonymous with justice in the Puget Sound region. For several decades they have been helping victims of car accidents, medical malpractice, and other serious injuries put their lives back together. By focusing the legal expertise only on injury claims, the Ladenburg lawyers have been able to obtain excellent result for clients. It is no surprise that many doctors, judges, and other lawyers refer their family and friends to Ladenburg Law after an injury.

Based in Tacoma, Washington since 1974 the Ladenburg lawyers have deep roots to the local community. As a family owned business, they share the same values as their clients. They provide the level of service to each client as though they were a member of their family. Ladenburg Law's connection to their clients and community allows them to understand what is important to each client. Meeting each client goal is the also the goal of Ladenburg Law Injury Attorneys.

Technology has allowed Ladenburg Law Injury Attorneys to provide the same level of service to clients throughout Washington State. With their state of the art software, each client is provided with unique access to their attorney included a case specific text number and email address. Each client can easily and confidentially communicate with a Ladenburg lawyer with the touch of a button on their smart phone or computer. Now clients in Seattle, Olympia, Bremerton, Yakima, Spokane, and the rest of Washington can benefit from having top level service from the top rated personal injury attorneys at Ladenburg Law.
